The challenge?

e-Filing progress

File online and you'll see
paper in a whole new light.

on top of the world

Evolve to online filing.

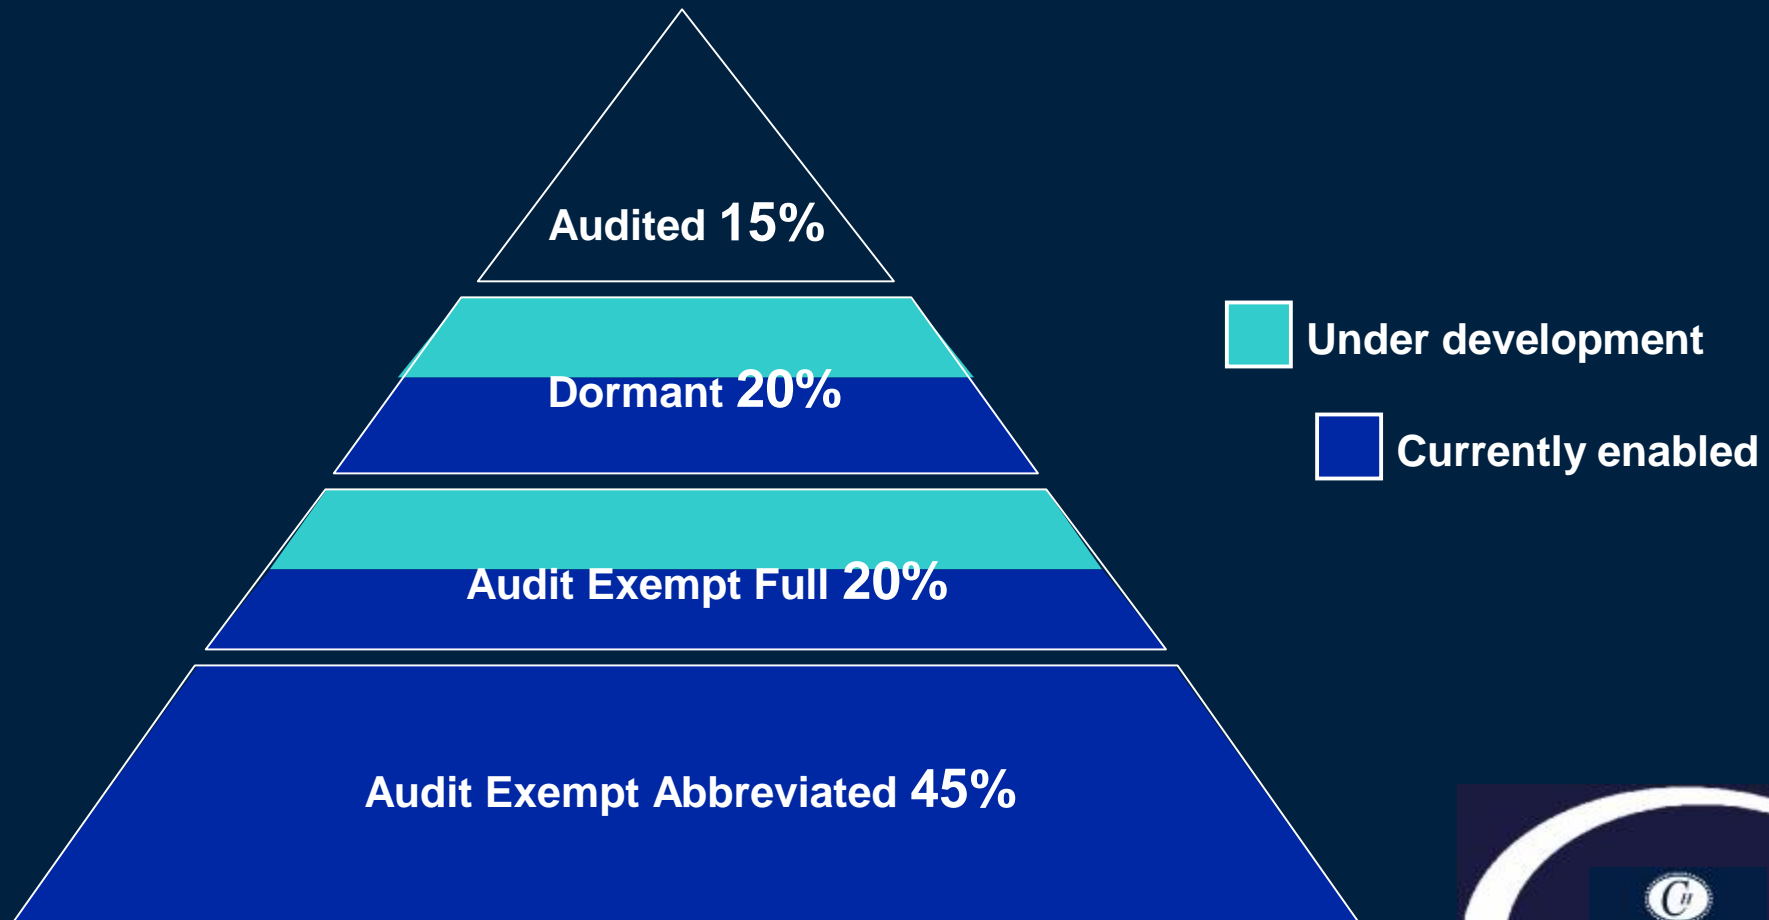

- Latest e-filing addition is accounts
- 200k to date
- WebFiling templates & Accounting Software

Companies House

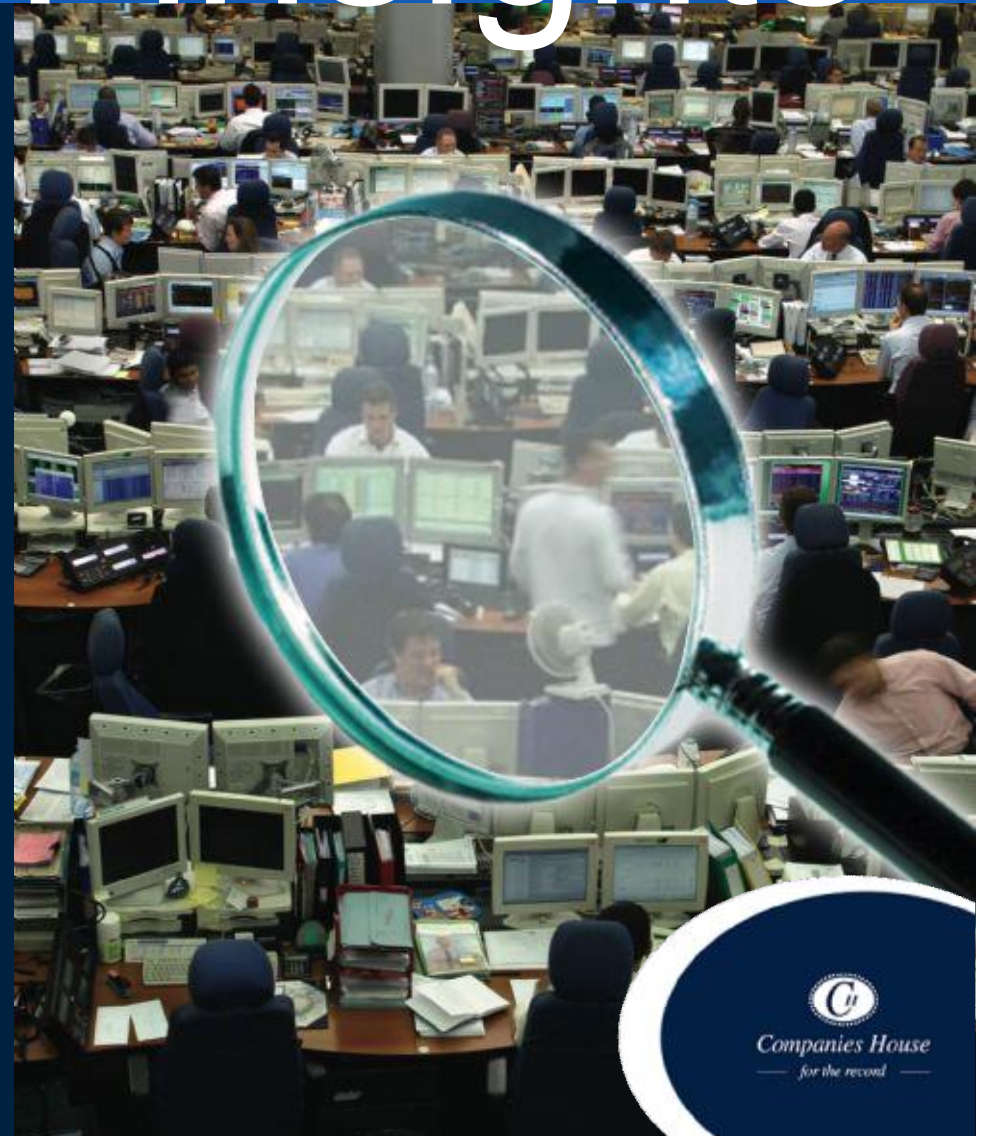

UK accounts types

e-Filing

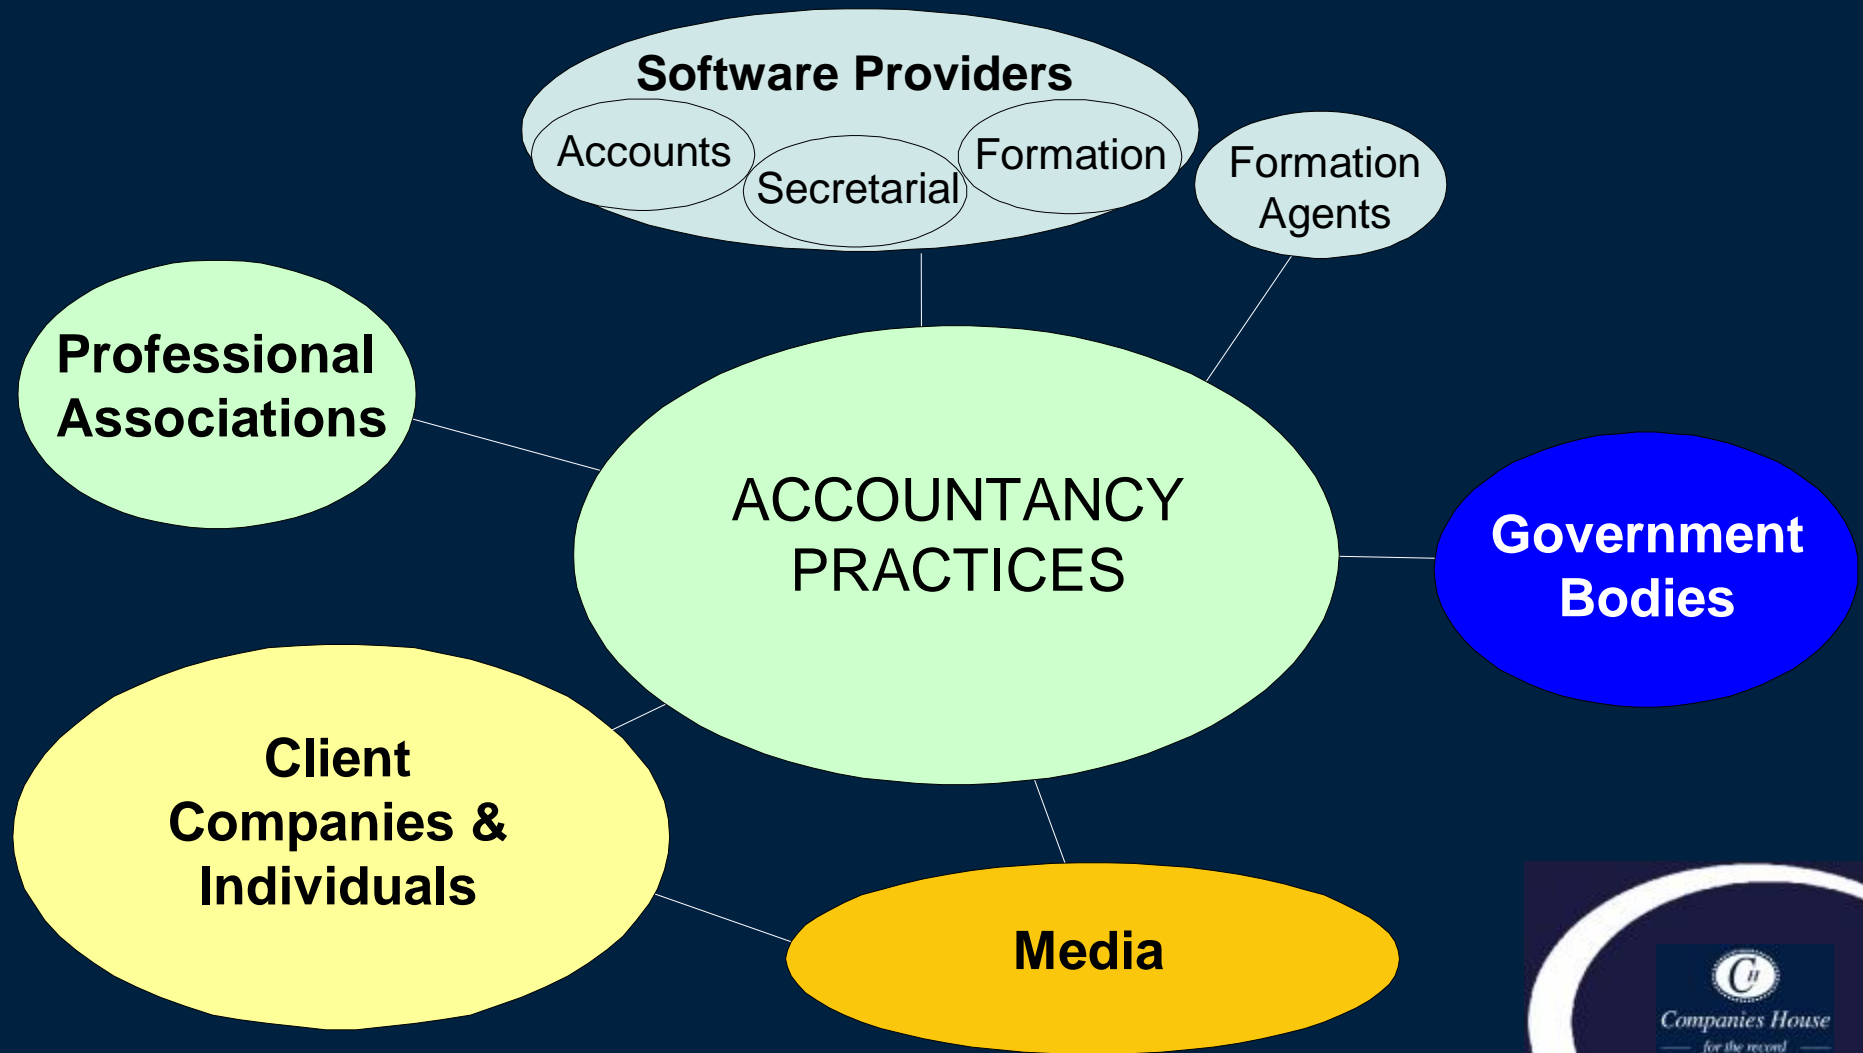

Customer insights

- e is typical filing method for a growing majority
- Rapidly reducing % say 'Never!'
- *Ease of Use* overtaking *Cost* as no.1. benefit
- Mandation is expected...
- Most companies use an agent.
- Accountants are key....

Accountant influences

now accounts can be filed online,
paper is history
