

Rural and regional training A trainee's perspective

**Steven Chung
AT in General and
Respiratory Medicine**

An aerial photograph of a coastal city. In the foreground, there are dense green trees. To the left, a multi-story brick building with a white roof is visible. In the center, a sandy beach curves along the coast, with a small lagoon or pool of water. The ocean is a deep blue, and the sky is clear. A road with cars and a white fence runs along the beach. On the right, a tall, modern apartment building with many windows and balconies is partially visible.

Thank you for listening
