

11-15 MAY 2008

Pre-Congress Workshops
Sunday 11 May 2008

Adelaide Convention Centre South Australia

Overseas Trained Specialists (OTS) Workshop

9.00am – 4.00pm

Cost: \$150 (fee includes tea/coffee and lunch)
REGISTRATION ESSENTIAL

This full day interactive workshop is designed to help you develop skills in medical professionalism and effective communication within the Australian healthcare setting. You will also be provided with opportunities to interact with overseas trained specialists from the Royal Australasian College of Physicians and other specialist medical colleges.

Conducted by the Department of Health and Ageing

Sunday Morning Workshops

9.30am-12.00pm

Cost: \$75 per workshop (fee includes tea/coffee)
REGISTRATION ESSENTIAL

Health and Wellbeing of Refugees

Dr Shanti Raman FRACP

Dr Jill Benson

Dr Karen Zwi FRACP

Dr Basiliki Lampropoulos FRACP

Dr Georgia Paxton FRACP

This workshop deals with significant health and psychosocial issues presented to physicians for newly arriving refugees. It includes applying clinical guidelines, addressing adolescent health issues and models of care for refugee populations.

Clinical Pathways in Addiction Medicine

Assoc Prof James Bell FRACP FACHAM

This workshop will guide the audience through the process of building a complete clinical pathway while presenting background information. Focusing on highly structured treatments, indications for treatments and also presenting research findings of previous success in the use of clinical pathways.

Conducted by the Australasian Chapter of Addiction Medicine

Sexual History Taking and STI/HIV Management for General Physicians and GPs

Dr Brian Hughes FRACP FACHSHM

This workshop is designed to increase proficiency in the practice of obtaining and recording patients' sexual history. It will provide a general update on current clinical treatment of STI and HIV, highlighting issues which may affect routine primary health care.

Conducted by the Australasian Chapter of Sexual Health Medicine

Advance Care Planning for Physicians and GPs

Cost: \$95 per workshop (fee includes tea/coffee)

Dr Mark Boughey FACHPM

Dr Michael Briffa FACHPM

Dr Kate Grundy FRACP FACHPM

Given the increasing relevance of Advance Care Planning the program will feature a short presentation looking at definitions and review the current literature. This will be followed by a highly interactive workshop looking at cases.

Conducted by the Australasian Chapter of Palliative Medicine

Sunday Afternoon Workshops

1.30pm-3.30/4.00pm

Cost: \$75 per workshop (fee includes tea/coffee)

REGISTRATION ESSENTIAL

Complementary and Alternative Medicines

Prof Paul Komesaroff FRACP

This workshop will examine the scientific and ethical issues raised by the use of complementary and alternative medicines (CAMs) in the Australian community and will introduce representatives of the various stakeholder groups; a philosopher, a consumer, a practitioner, a scientist and an ethicist.

Prescribing for Non-malignant Pain

Dr Rhys Henning FRACGP FACHAM

Dr Chris Holmwood FRACGP

Dr Steven Leow FRACGP

Dr Paul Williamson FACHAM

This workshop will focus on the appropriate prescribing of opioids for chronic non-malignant pain (CNMP) with a special emphasis on avoiding dependency and managing pain in people with a pre-existing dependency.

Conducted by the Australasian Chapter of Addiction Medicine

Reproductive Health and Sexual Health Counselling

Dr Katrina Allen FRACGP FACHSHM

This practical, interactive workshop is planned to up-skill participants in current Australian choices and use of contraception, management of common problems with contraception and initial counselling for sexual health problems.

Conducted by the Australasian Chapter of Sexual Health Medicine

FREE SESSIONS

PBS Schedule Online

12.15pm-1.15pm

(tea/coffee will be provided)

REGISTRATION ESSENTIAL

An interactive forum to provide guidance on how to get the most benefit from the PBS website and the online electronic schedule.

Cutting the Cost to Society: The Importance of VTE Prophylaxis

1.30pm-4.00pm

(tea/coffee will be provided)

REGISTRATION ESSENTIAL

Prof Alex Gallus

Ms Renea Collins

Published in December 2007, the 4th Edition of the Prevention of VTE Best Practice Guidelines give guidance for VTE prophylaxis for medical and surgical patients. This workshop will present the guidelines to inform and educate physicians and produce a dialogue on agreement of guidelines and bleeding risks to patients.
